

Georgia History & Georgia Genealogy: Periodicals in Hard Copy

Prepared by Patrick Stolleis of [The Special Collections Department](#) Central
Library, Fifth Floor

Updated Thursday, November 2006

For related lists of periodicals, newspapers, and other resources, look at [The Special Collections Department](#) page.

When using our list of newspapers and periodicals on microfilm, please bear in mind that we *do not necessarily have a complete run* for the years listed. In other words, a listing such as "Creative Loafing 1998-1999" does *not* mean we have every issue published in those years. It means we have *at least some issues for each of those years*.

If you need information about specific issues of a magazine or periodical or about particular time periods of publication, please contact the department and we will confirm that we have what you need.

This list is under construction. We are updating this list of holdings.
