

Genealogy Collection: General & Regional Periodicals in Hard Copy

Prepared by Patrick Stolleis of [The Special Collections Department](#) Central Library, Fifth Floor

Last update: November, 2006

For related lists of periodicals, newspapers, and other resources, look at [The Special Collections Department](#) page.

When using our list of newspapers and periodicals on microfilm, please bear in mind that we *do not necessarily have a complete run* for the years listed. In other words, a listing such as "Creative Loafing 1998-1999" does *not* mean we have every issue published in those years. It means we have *at least some issues for each of those years*.

If you need information about specific issues of a magazine or periodical or about particular time periods of publication, please contact the department and we will confirm that we have what you need.
